VITAL PELLETS

FRUIT & VEGETABLE BLEND

NATURAL COLOUR: YELLOW & RED 8MM

This pellet mix is truly one-of-a-kind. No other blend packs in as much fruit, berries, and vegetables in a single formula. There's no need for extra supplements—just feed and enjoy! The tropical fruits and berries provide a flavorful adventure your birds will love.

HERBAL BLEND

NATURAL COLOUR: YELLOW 8MM

This variant is ideal for all birds that originally feed on half-ripe seeds, herbs and other parts of plants (leaves, roots, bark). This mixture contains no fruit (zero sugar) and is a very nutritious food especially for Australian parrots and cockatoos.

NUT MIXED OIL

Oil supplement for parrots

Our tropical nut oil is the result of a selective manufacturing process that uses a specific blend of oils from macadamia nuts, Brazil nuts, almonds, peanuts and coconuts. The unique composition of the various oils is designed to ensure an optimal supply of various essential fatty acids to your parrots.
